BELVOIR IS A SUNSMART SCHOOL

During summer, it is a timely reminder that students and staff be SunSmart. One line of defence against sunburn is the trusty hat. Naturally, we would also like to add, please label your child's hat to minimise the risk of lost property. Appropriate sunglasses approved by the Cancer Council may be worn during recess and lunch breaks, but not in class. They may also be permitted on approved excursions, but remain the responsibility of the students at all times.

ROOM 13 NEWS

Josh, Lynsey, Prajna & Drew

What a busy term it has been! As Term 1 nears the end, we have been publishing and editing our recounts. This term the students learned about recount features and structure and planned their own using recent events such as our school swimming carnival, outings and our weekends. In math's we have been learning about data. The students have been creating questions to ask their peers and collecting answers to collate and display in a graph. It has a been a great opportunity to get outside of our room and build connections across the pod by asking students and teachers from other rooms the questions that we are collecting data about. We also gathered data about things around the school such as how many bikes are in the bike shed (there was a LOT!!)

The Swimming Carnival was a big hit last week. A class favourite was the slide and looking at the data we collected about the carnival in maths, it seems that tomato sauce was the condiment of choice during the lunch time sausage sizzle! Our Room 13 footy tipping competition started last week, with some keen tipsters excited to show off their AFL knowledge!

ATTENDANCE POLICY

Schooling is compulsory for children and young people aged from 6 to 17 years (unless an exemption from attendance or enrolment has been granted).

Daily attendance is important for all children and young people to succeed in education and to ensure they do not fall behind both socially and developmentally. School participation maximises life opportunities for children and young people by providing them with education and support networks. School helps people to develop important skills, knowledge and values that set them up for further learning and participation in their community.

Students are expected to attend Belvoir Special School during normal school hours every day of each term unless:

- there is an approved exemption from school attendance for the student.
- the student has a dual enrolment with another school and has only a partial enrolment in Belvoir Special School, or
- the student is registered for home schooling and has only a partial enrolment in Belvoir Special School for particular activities.

Both schools and parents have an important role to play in supporting students to attend school every day.

Belvoir Special School believes all students should attend school all day, every day when the school is open for instruction and is committed to working with its school community to encourage and support full school attendance.

[Fact sheet 1: school council elections – information for parents](#)

[What is a school council and what does it do?](#)

All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the broad direction of a school, in accordance with Ministerial Order 1280 Constitution of Government School Councils, and the *Education and Training Reform Act 2006*. In doing this, a school council may directly influence the quality of education for students.

[Who is on the school council?](#)

For most primary school councils, there are several possible categories of membership:

A mandated elected parent member category – members of this category generally comprise more than one third of the council's total membership. Department employees can be parent members at their child's school providing that they are not engaged in work at the school.

A mandated elected school employee member category – members of this category make up no more than one-third of membership. The principal of the school is automatically one of these members.

An optional community member category – members are co-opted by a decision of the council because of their special skills, interests or experience. Department employees are not eligible to be community members.

A small number of school councils have nominee members.

For all schools with a Year 7 and above cohort, there is an additional category of membership:

A mandated elected student member category, two positions.

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

[Why is parent membership so important?](#)

Parents on school councils provide important viewpoints and have valuable skills and a range of experiences and knowledge that can help inform and shape the direction of the school.

Those parents who become active on a school council find their involvement satisfying and may also find that their children feel a greater sense of belonging.

[Do I need special experience to be on school council?](#)

Each member brings their own valuable skills and knowledge to the role, however, in order to successfully perform their duties, councillors may need to gain some new skills and knowledge.

It is important to have an interest in your child's school and the desire to work in partnership with others to help shape the school's future.

[Code of conduct for school councillors](#)

School councils in Victoria are public entities as defined by the *Public Administration Act 2004*.

School councillors must comply with the Code of Conduct for Directors of Victorian Public Entities issued by the Victorian Public Sector Commission. The Code of Conduct is based on the Victorian public sector values and requires councillors to:

act with honesty and integrity – be truthful, open and clear about their motives and declare any real, potential or perceived conflict of interest and duty

act in good faith in the best interests of the school – work cooperatively with other councillors and the school community, be reasonable, and make all decisions with the best interests of students foremost in their minds

act fairly and impartially – consider all relevant facts of an issue before making a decision, seek to have a balanced view, never give special treatment to a person or group and never act from self-interest

use information appropriately – respect confidentiality and use information for the purpose for which it was made available

exercise due care, diligence and skill – accept responsibility for decisions and do what is best for the school

use the position appropriately – not use the position as a councillor to gain an advantage

act in a financially responsible manner – observe all the above principles when making financial decisions

comply with relevant legislation and policies – know what legislation and policies are relevant for which decisions and obey the law

demonstrate leadership and stewardship – set a good example, encourage a culture of accountability, manage risks effectively, exercise care and responsibility to keep the school strong and sustainable.

[Indemnity for school council members](#)

School councillors are indemnified against any liability in respect of any loss or damage suffered by the council or any other person in respect of anything necessarily or reasonably done, or omitted to be done by the councillor in good faith in:

the exercise of a power or the performance of a function of a councillor, or

the reasonable belief that the act or omission was in the exercise of a power or the performance of a function of a council.

In other words, school councillors are not legally liable for any loss or damage suffered by council or others as a result of reasonable actions taken in good faith.

[How can you become involved?](#)

By participating in, and voting in the school council elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might consider:

standing for election as a member of the school council

encouraging another person to stand for election.

[What do you need to do to stand for election?](#)

The principal will issue a Notice of Election and Call for Nominations in Term 1 of each year. Council elections must be completed by 31 March, unless varied by the Minister for Education.

If you stand for election, you can arrange for someone to nominate you as a candidate or, you can nominate yourself in the parent member category. You can only be nominated by another member of the same category that you are eligible for (e.g. a member of the parent electorate may only nominate another parent of that electorate).

Department employees with a child enrolled at a school where they are not engaged in work, are eligible to nominate for parent membership at that school.

Return your completed nomination form to the principal within the time stated on the Notice of Election. You will receive a Nomination Form Receipt via post, email or by hand delivery.

Generally, if there are more nominations than vacancies a ballot will be conducted in the two weeks after the call for nominations has closed.

[Remember](#)

Consider standing for election to school council.

Ask the principal for instructions if you are not sure what to do.

Be sure to vote if the election goes to ballot.

Contact the principal if you are unsure about what is required at any stage of the election process.
